

Monroe Education Foundation

“Planting the Seeds of Lifelong Learning”

The Monroe Township Education Foundation (MEF) needs your help. MEF grants subsidize initiatives that are excluded from the district's general operating budget due to spending limits. These grants touch the lives of children from kindergarten through 12th grade, building academic performance and work-place skills while capturing students' imaginations.

Please consider helping the Foundation by contributing to our capital campaign!! In every Monroe Township school the MEF sponsors a tree in the school lobby. A donation of \$100 will put your name on a leaf of the tree in any one school of your choice. A donation of \$500 will put your name on a leaf of the tree in every school in Monroe Township. You may use the form below to make your contribution. Any amount you can contribute would be appreciated, but a minimum of \$100 is necessary for a leaf in the schools.

Thank you for your support. Questions and comments can be directed to Robert Tresente at 732-656-9317 or sent via email to Info@monroeedfoundation.org. Please visit our website for more information about our programs and accomplishments!
